I am to express the Resident's regret that time will not permit of so lengthy a programme as you propose for the visit of Their Excellencies to the Lal Bagh. It was never contemplated that Their Excellencies should do more than visit the Flower Show, and the utmost time that they can spend there will be from 20 minutes to half an hour. With regard to the introduction of the Committee Members to Their Excellencies. I am to say that this is a matter on which the pleasure of His Excellency will have to be taken, and the names of those whom it is proposed to present should be submitted to the Residency for approval.

Dated ....November 1923.

Dear Mr Burnaby

With reference to our personal discussion this morning about the arrangements in connection with the visit of His Excellency the Viceroy and Lady Reading to the Lal-Bagh, I have herewith sent the revised list of invitees in which I have included the names of the members of the Horticultural Society and marked against them "M" & "C.M." to show that they are members and Committee members. Considering that the Flower Show is got up by the Horticultural Society, I think it will only be fair that the courtesy of getting them invited will be extended to its members.

Yours sincerely,

C Kruttschnitt
